Nestlé employees can access health, retirement, and reimbursement benefits through the Via Benefits platform, which manages accounts like HSA, FSA, and Medicare options.

Overview of Via Benefits

Via Benefits is a platform that helps employees select, enroll, and manage various benefits, including **health insurance, Medicare plans, and reimbursement accounts** such as Health Savings Accounts (HSA), Health Reimbursement Accounts (HRA), Flexible Spending Accounts (FSA), Dependent Care FSA (DCFSA), and commuter benefits  [Via Benefits](#) . For Nestlé employees, Via Benefits serves as the central hub to manage these benefits efficiently.

Key Features

- **Account Management:** Employees can sign in to their Via Benefits account via the website or mobile app to view balances, submit claims, and manage reimbursements  [Via Benefits](#) .
- **Health Plan Selection:** The platform provides tools to compare and choose health insurance plans that best fit individual or family needs  [Via Benefits](#) .
- **Security Measures:** Sign-in requires identity verification using multiple pieces of information to protect personal data  [Via Benefits](#) .
- **Support Services:** If users encounter issues, Via Benefits offers technical support, including real-time system status updates and troubleshooting guidance  [Via Benefits](#) .
